

COUNTDOWN: From sketch to (illustration) space launch!

Strap on your jet packs and join illustrator-author Leeza Hernandez as she takes you on a behind-the-scenes tour of how the artwork for the 2019 Summer Reading Program campaign—A Universe of Stories!—came to life. In this interactive session she'll help you blast ideas out of your own imagination and onto paper, and chat about what it means to have a visual voice. Plus, Leeza will discuss ways to overcome creative block, guide audience participants through a character-building activity and share tips on how to incorporate it into lesson plans. Session concludes with a brief Q&A. Follow Leeza on Instagram: @leezaworks
