New Jersey**: 2022 CSLP Online Manual Access Code**

Your state library has purchased your library online access to the 2022 Collaborative Summer Library "Oceans of Possibilities" Programming Manual. This manual contains all the programming resources, graphics, and book lists for the upcoming summer.

To access the manual, you will need to visit the CSLP website at: www.cslpreads.org

Once there, hover over the **Manual Downloads** button located on the menu bar. From the drop down menu, select **2022 Oceans of Possibilities**. You will be prompted to enter your access code. The access code for your library is:

NJ22!KP45

The access code is case sensitive.

Please do not share this code, or post it in a publicly accessible location.
