Policy and Communication Evaluation

CALLING NEW JERSEYANS AGES 12 - 17 YEARS!

Seeking **new** study participants!

Rutgers University is doing a research study, ***the Center for Rapid Surveillance of Tobacco (CRST) Youth and Young Adult Cohort***, to learn more about teen tobacco use in New Jersey. Eligible participants complete four 10-15 minute online surveys about:

- Tobacco use behavior (e.g. brands, flavors, price promotions)
- Access to tobacco products
- Policies and laws related to substance use
- Awareness and exposure to tobacco marketing efforts

EARN ONLINE GIFT CARDS FOR EACH SURVEY + A BONUS REWARD FOR COMPLETING ALL 4 SURVEYS!

Recruitment ends 1/31/2024
